Subject: IEPA's SOP Inventory

Hi Jim:

EPA had received the SOP for maintenance of the IEPA's CAFO inventory in 2015 and have had verbal discussions, but I am not sure if the information was ever transmitted in writing.

I am attaching IEPA's SOP Inventory with track changes that include EPA's previous comments and current changes that have come to our attention from receiving your inventory semiannual reports and from our NPDES Branch's discussion with IEPA over the Illinois Workplan.

I also wanted to mention that I have not received any of the inspection reports for 2016 inspections, so that EPA can review and schedule oversight inspections. I have contacted Joe Stitely and he asked that I contact you to get the inspection reports.

I will be scheduling a meeting next week to discuss the IEPA CAFO Inventory and the comments that IEPA may have.

If you need any information in the meantime, please contact me at 312-886-1463 or by e-mail

Sincerely,

Cheryl Burdett
